LinkedIn: <https://www.linkedin.com/in/mohame.....>

## About Me

I am a software engineer with two years of programming experience. I specialize in web. I work with the latest technologies and I am ready to learn more. The most important thing to me is mastering my work

## Skills

Html  
Css  
JavaScript  
Typescript  
Python  
Django  
Tailwind  
React  
Celery  
Redux  
Git  
Github  
Docker  
Postgresql  
Mongo  
Jinja  
Redis  
Socket-io  
Django rest framework  
Jquery  
Sqlite

## Some of my projects

### Java Store

Aug 2023 - Nov 2023

It is an e-commerce website and blog for publishing news about fashion. I built this entire website, all the details are in my portfolio.

**Frontend:** Html - Css - JavaScript - JQuery - Jinja

**Backend:** Django - Celery

**Databases:** Redis - Sqlite - Postgresql

**Frontend's GitHub:** <https://github.com...../>

**Backend's GitHub:** <https://github.com...../>

### Snapgram

Feb 2024 - Mar 2024

It is a website for communicating and sharing photos and videos with friends. I built this site completely, all its details are in my portfolio.

**Frontend:** React - Redux - Tailwind

**Backend:** Django - Django rest framework

**Databases:** Sqlite

**Frontend's GitHub:** <https://github.com...../>

**Backend's GitHub:** <https://github.com...../>

## Education

Delta Institute for Computers and Information

2021-2025

Mansoura, Dakahlia
